

TIME TO TALK

Tell each other about a moment that could have gone viral, if it had been recorded.

What is something you enjoy hearing your partner talk about?

What's an interest you have tried to enjoy, but have never been able to get into?

Describe something unique that your loved one brings to the world to make it a better place.

Tell about a time that you were incredibly proud of your partner.

What part of your day do you look forward to the most and why?

How would you like your loved one to support you when you are stressed? Share a few ways that they can help.

Tell each other about an experience you laugh about now, that you did not find funny while it was happening.

What is something you wish more people knew about you?

Questions adapted from the Agapé App.
